FDM

Diversity and Inclusion Hackathon*

**Hosted by Perry Timms, with an introduction by Jeremy Crook OBE
Chief Executive BTEG (Black Training & Enterprise Group)**

As diversity and inclusion fast becomes a strategic priority, join us as we host a Hackathon to collaborate, innovate and design.
This session aims to:

- Review existing ways in which we tackle the challenges associated with ethnicity
- Explore the future of ethnic diversity in the world of work
- Create breakthrough solutions

*No coding skills required (Post-Its Only!)
