

MEDIA PACK

2022

Since 2011, Customer Experience Magazine has been delivering industry news, CX guides, and best practice case studies. We are home to more than 30,000 CX professionals across the globe.

Join us in writing the future of CX.

Our team provides high-level resources to a global audience of CX professionals, marketing & financial experts, entrepreneurs and EX professionals all over the world. We do this by delivering unique and engaging campaigns across our many platforms. We're always looking for partners that share our passion for delivering outstanding customer experiences.

MEET OUR AUDIENCE

Our global audience is made up of over 30k CX professionals, managers, vice presidents, company owners, individuals and we share one passion.

Roundtable

In 2021 we have run over 100 different activities with a large number of partners and sponsors, including 40+ dedicated

TESTIMONIALS

Our agency primarily focuses on enterprise B2B tech companies and we have leveraged CX Mag for several that focus on the Customer Experience/Marketing audience. It was a nice fit to reach a relevant, international audience at an affordable rate. We saw solid lead volume from their dedicated emails sent to their full subscriber base. The team is very responsive and a pleasure to work with.

Liz McComas, Media Supervisor at Integrous Marketing (Austin, Texas)
